

Annual General Meeting Calling Notice

Tuesday 9th June - 12:30pm

Dear Tony,

This year's AGM will be held during our virtual President's Week on Tuesday 9 June.

Our current president, Sandra Taylor, reflects on the achievements of Socitm over the past year, while incoming president, Sam Smith, outlines her objectives and aspirations for 2020-21.

Our annual President's Conference has moved online this year. Throughout the week of 8-12 June there will be daily sessions, from 10.45 to 13.00, focused on the revised theme of 'time to reset, reform and recover'.

Nominations are now open for your next Vice President. Socitm's VPs are nominated and elected by you. This is your opportunity to propose a colleague who you think will add real value to the organisation. Please submit the name and organisation of your candidate by 4pm on Friday 15 May.

The candidates with the most nominations will be shortlisted and members will then vote for our new Vice President. We look forward to seeing you online for the AGM and for other President's Week sessions.

Thank you for your support and being part of the Socitm community over the past year.

Kind regards,
Socitm
